

## **IBOLA® Sports Flooring Adhesives - by STAUF®**

### **IBOLA Adhesives- A Marriage of Historical Heavyweights**

IBOLA (e'-bo-la) is a 60 year-old German Adhesive company which was purchased by the 180 year-old Stauf Adhesives Company in 2004. Those combined years of experience, product development and history have now been fully integrated into the Stauf quality, manufacturing, and research operations in the new, state-of-the-art STAUF facility in Wilnsdorf, Germany.

IBOLA's full products line includes adhesives for PVC, LVT, linoleum, carpet and multi-purpose uses as well as floor prep products such as leveling compounds, primers and sealers. All IBOLA products are made at the Stauf plant under the same exacting quality standards. These quality products meet the highest customer expectations for performance, durability, and ease of installation.

One division of the united companies specializes in sports flooring adhesives for synthetic turf, basketball courts, and gymnasiums. Currently available in the USA is the unique [IBOLA product line for sport flooring adhesives](#), accessories and installation systems.

STAUF USA, LLC, is the exclusive importer for both STAUF and IBOLA products into North America.
